President's Message

I hope this letter is finding everyone well and enjoying the start of summer. Since we did not have a May meeting because of conflicts with Club Nationals, and we were darn tired from our very successful Specialty down in Perry, I would love to see everyone at this next meeting so that we can catch up on the past two months of old business and plan new events.

It's time for us to start making preparations for our 2008 show which is quickly approaching. The show be held in the beginning of the year at Jonesboro Rd, Atlanta. We are looking for a Show Chairperson and will be making important decisions regarding any events we might offer. **We need your help**.

Don't forget to bring your youngsters to the handling class on Tuesday. It's great socialization and good practice. I look forward to seeing you all.

Pat Lander, President
